Petition for Action on
Terry Jordan
Docket:3:13CR00065
May 27, 2014

On February 18, 2014, Terry Jordan appeared before the Honorable U.S. Magistrate Judge John S. Bryant for an Initial Appearance after being charged with violating 21 U.S.C. § 846 - Conspiracy to Possess With the Intent to Distribute Over 1,000 Kilograms of Marijuana. A Detention Hearing was scheduled for February 21, 2014.

On February 21, 2014, the defendant appeared before the Honorable U.S. Magistrate Judge Juliet Griffin for a Detention Hearing. The Government withdrew their Motion for Detention, and the defendant was released to pretrial supervision with special conditions.

Mr. Jordan reported to the U.S. Probation Office for a post release intake interview and was seen by U.S. Probation Officer Maria Johnson. All conditions were read and explained to the defendant by Officer Johnson. Mr. Jordan advised he understood all conditions, including that he obey all laws and consume no alcohol. The defendant also signed the Order Setting Conditions of Release.

The defendant was referred by this officer to Centerstone for an alcohol and drug assessment. The assessment was prepared on April 25, 2014, and provided to this officer. During the assessment, the defendant informed the therapist that he previously consumed alcohol on a social basis, only "drinking excessively once or twice." He then stated that "it has been years since he had any alcohol."

Special Conditions of Release:

Please reference the attached original Order Setting Conditions of Release.

New Violations:

The defendant shall not violate any local, state or federal law. If he does, he could be punished by as much as from 90 days to 10 years imprisonment in addition to the penalty provided for the offense committed.

Defendant shall refrain from any use of alcohol.

On Sunday, May 25, 2014, this officer received notification from Metropolitan Nashville Police Department that defendant Jordan was arrested this date at 2:08 a.m. for Driving Under the Influence, 4th Offense, Violation of Implied Consent, and Driving on Revoked License, 2nd Offense.

According to the affidavit, on May 25, 2014, the defendant was observed by a Metropolitan Nashville Police Officer while driving eastbound on Old Hickory Boulevard. The defendant failed to stop at a stop sign. The officer initiated a traffic stop and made contact with the defendant. The officer noted an odor of alcohol coming from the vehicle. During the stop, a records check was conducted which reflected the defendant's drivers license was revoked. The officer instructed the defendant to step out

of the vehicle. According to the affidavit, the defendant was uneasy on his feet, his speech was slurred, and his eyes were bloodshot and watery. During the field sobriety tests, the defendant allegedly showed numerous indicators of being intoxicated. Mr. Jordan refused the blood test and, as a result, a search warrant was issued and a sample of the defendant's blood was drawn.

Respectfully Petitioning the Court as Follows:

The U.S. Probation and Pretrial Services Office would respectfully request that a warrant be issued and a hearing be set to determine why the defendant's bond should not be revoked. Assistant U.S. Attorney Brent Hannafan has been notified and concurs with this officer's recommendation.
